# Skilled Trades Careers for Women

Alfred State College and the Northland Workforce Training Center are sponsoring a hands-on workshop for women interested in learning more about Welding and/or CNC Manufacturing.

**Wednesday, May 18, 2022**

**Northland Workforce Training Center  
683 Northland Ave., Buffalo, NY**

Schedule of Events	
CNC Manufacturing & Machining	10 a.m. - Noon
Lunch (provided)	Noon - 1 p.m.
Welding Technology	1 p.m. - 3 p.m.
Tours of the Northland Facility	3 p.m. - 4 p.m.

Attendees will receive an overview of each career field and a hands-on experience creating items using welding techniques and CNC machines. Choose to attend both sessions or the one you are most interested in pursuing.

# ***Move Forward at Gerard Place!***

## **Call or Scan for Trocaire College Healthcare Programs at Gerard Place: (716) 827-4310**

### **Phlebotomy**

Phlebotomists are technicians trained to draw blood for medical tests, transfusions, donations or research. They are also responsible for the assembly and maintenance of a variety of medical instruments.

**Dates: July 12, 202-September 13,2022, Tuesdays and Thursdays**

### **Sterile Processing**

Sterile Processors operate and maintain steam autoclaves and clean instruments to prepare them for sterilization. They also organize and assemble routine or specialty surgical instruments trays or other sterilized supplies and check for indications of disrepair.

**Dates: August 30, 2022-November 22, 2022, Mondays and Wednesdays**

### **Pharmacy Tech**

Pharmacy Technicians typically work under a Pharmacist to measure, mix, count out, label and record amounts and dosages of medications based on prescription orders as well as provide customer service.

**Dates: September 27, 2022-December 15, 2022, Tuesdays and Thursdays**

**2515 Bailey Avenue Buffalo, NY 14215**  
**(716) 897-9948**
